Deliberative Process / Ex. 5

- OCFOs Technology User Group: OPARM and OARS attended the first meeting of OCFO's Technology User Group, a monthly forum for review and discussion of new and improved resource management systems that EPA will be using or developing. The agenda for this meeting included the introduction of a new payroll process that will streamline funds management and simplify timekeeping.

Deliberative Process / Ex. 5

- Budget Execution Deadlines:
 - July 1: Last date to submit awards to OARS
 - July 5: ORD will sweep unallocated (uncommitted) expiring funds at the L/C/O level.
 - July 7: OCFO will sweep uncommitted balances for expiring funds.
- Training: The formulation staff has developed training for new formulation analysts, and will deliver test trainings in July. This will then be condensed and form the basis for ORD-tailored budget training that can be provided to LCOs beginning in the winter of 2016.
